Subject: Project "Regional (Benin, Burkina Faso, etc. West African  
Regional Biosafety Project")

09/05/2007 02:41 AM

Dear Monique,

I refer to your letter of 8 August and the fax from Mariota Steinke of 27 August concerning the above project.

We tend to agree with most of the German comments on this project, and would like to see them incorporated before project endorsement.

Sincerely,  
Erik Bjørnebye
