

GEF 5th REPLENISHMENT

UK STATEMENT

The UK thanks the Government of Uruguay for hosting the Assembly.

The UK is committed to global environmental issues and sustainable development. The UK is also dedicated to building a stronger GEF that is fit for purpose, including a reform agenda that will:

- Increase its responsiveness to the needs of developing countries
- Speed up project approval processes; and
- Increase its focus on results and impact

The UK will confirm its commitment to the GEF Fifth replenishment as soon as possible.
