

**HIGH
AMBITION
COALITION**
FOR NATURE & PEOPLE

Supporting the implementation of the 30x30 Target

**HIGH AMBITION COALITION
FOR NATURE AND PEOPLE**

The High Ambition Coalition for Nature and People (HAC for N&P) is an intergovernmental group of more than 115 countries united by a shared ambition to implement the global goal of effectively conserving at least 30 percent of the world's land and ocean by 2030.

OUR TOOLS

In collaboration with various partners, we are developing several tools to support achieving the 30x30 Target.

Open to the public

30x30 Solutions Toolkit

A one-stop-shop on resources, practices, guidelines, methodologies, capacity and knowledge materials related to 30x30.

www.30x30.solutions

For HAC for N&P country members

30x30 Technical Assistance Matchmaking

Identifying and matching technical expertise with members' needs to facilitate implementation of their 30x30 strategies.

30x30 Financial Assistance Matchmaking:

Identifying and matching dedicated 30x30 financial opportunities with practical members' project.
