Definition of civil society
in the GEF:

Long history of Engagement with CSOs

Value of civil society engagement in the GEF:

- Enhancing recipient **country ownership** and **accountability**;
- Liaising with communities and other local stakeholders;
- Making use of skills, experiences, and knowledge;
- Facilitators, conveners and advocates.

CSOs Roles

- Project executors/co-executors
- Leverage co-financing
- Provide expert local knowledge to project design and implementation
- Participate in monitoring of project impacts and outcomes
- Influencing policy and advocating for the GEF's mission and in replenishment processes
- CSOs as GEF Project Agencies (WWF, IUCN, CI)

The GEF-CSO Network

Established in 1995 as an independent Network of member organizations whose work in environment and sustainable development is aligned with the GEF mandate.

Updated Vision Statement

- *Greater results and impact through collaboration with CSOs*
- *projects on the ground, building awareness, engagement with recipient country governments and participation with Council members.*
- *advisory role for the GEF Council on institutional policies and guidelines and helps formulate strategies effectively.*
- *CSO Network role in advocacy and outreach to civil society at the global level, supporting dissemination of information and contributing to policy and strategy development.*

Looking Ahead

- Continued support at the national and regional levels (Policies)
- Continue strengthening CSO Representation at Council Consultations and Assembly - (youth, women groups, IPs)
- CSO engagement in Policy Development, Replenishment, Advocacy, etc.
- Participatory Monitoring and Evaluation
- Strengthening Access to information Redress and Grievance mechanisms
- Continue monitoring Implementation of Policies on SE/Gender/Safeguards

Thank you
