Ms. Helen Clark  
Administrator  
United Nations Development Programme (UNDP)  
Room DC1-2118  
One United Nations Plaza  
New York, NY 10017

Dear Ms. Clark,

Please find attached the audited financial statements of the United Nations Development Programme (UNDP) – Global Environment Trust Fund (GEF) for the year ended 31 December 2009, along with the report of the Board of Auditors dated 20 May 2010 thereon.

Yours sincerely,

Swatantra A. Goolsarran  
Executive Secretary  
United Nations Board of Auditors

cc: Mr. Yannick Glemarec  
Mr. Jonathan Ng

United Nations  Nations Unies

BOARD OF AUDITORS

NEW YORK

FAX: (212) 963.3684

**Report of the United Nations Board of Auditors  
on the financial statements of the United Nations Development Programme  
Global Environment Trust Fund  
for the year ended 31 December 2009**

**Report on the financial statements**

We have audited the accompanying summarized financial statements of the United Nations Development Programme (UNDP)-Global Environment Trust Fund (GEF), which comprise the statement of income and expenditure for the year ended 31 December 2009 (Statement I), the statement of assets, liabilities, reserves and fund balances as at 31 December 2009 (Statement II), the statement of cash flows for the year then ended (Statement III), and the notes to the financial statements. These financial statements should be read in conjunction with the accounting policies and notes of UNDP (A/65/5/Add.1) from which they were derived.

*Administrator's responsibility for the financial statements*

The Administrator of UNDP is responsible for the preparation and fair presentation of these financial statements in a format agreed to with the Global Environment Fund Trustee and in accordance with the United Nations system accounting standards, and for such internal control as management deems is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

*Auditor's responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Opinion*

In our opinion, these summarized financial statements present fairly, in all material aspects, the financial position of the UNDP-GEF as at 31 December 2009 and its financial performance and cash flows for the year then ended, in accordance with the United Nations system accounting standards.

**Report on other legal and regulatory requirements**

Furthermore, in our opinion, the transactions of the UNDP-GEF that have come to our notice, or which we have tested as part of our audit, have in all significant respects, been in accordance with the Instrument for the establishment of the Trust Fund.

FOR AND ON BEHALF OF THE BOARD

Yu LIU

FOR AND ON BEHALF OF THE BOARD

Yu Liu

Director of External Audit (China)

Chairman (Audit Operations Committee)

Reference: GEF Audit

05 November 2010

Dear Mr. Vanker,

I have the honour to submit to you the financial statements of Global Environment Facility for the year ended 31 December 2009.

I certify, that to the best of my knowledge, the information contained in this statement and attached notes properly reflects the activities for the Global Environment Facility financed from contributions received from the World Bank, as GEF Trustee.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Darshak Shah', is written over the typed name and title.

Darshak Shah  
Deputy Assistant Administrator,  
Deputy Director and Chief Finance Officer  
Bureau of Management  
United Nations Development Programme

Mr. Imran Vanker

## Notes to the Financial Statements

### UNITED NATIONS DEVELOPMENT PROGRAMME Trust Fund for the Global Environmental Facility

#### Note 1

##### (a) Mandate and goals

The Trust Fund for the Global Environment Facility (GEF) was established for the receipt and administration of funds to finance UNDP pre-investment studies, technical assistance and training for global environment policies, programmes and projects. The agreement between UNDP and the World Bank, as trustee for GEF, was signed on 29 April 1991. As stated in the Instrument for the Establishment of the Restructured Global Environment Facility:

GEF shall operate, on the basis of collaboration and partnership among the implementing agencies, as a mechanism for international cooperation for the purpose of providing new and additional grant and concessional funding to meet the agreed incremental costs of measures to achieve agreed global environmental benefits in the following focal areas:

- (a) Biological diversity;
- (b) Climate change;
- (c) International waters;
- (d) land degradation;
- (e) Ozone layer depletion; and
- (f) Persistent organic pollutants.

The agreed incremental costs of activities to achieve global environmental benefits concerning chemicals management as they relate to the above focal areas shall be eligible for funding. The agreed incremental costs of other relevant activities under Agenda 21 that may be agreed by the Council shall also be eligible for funding insofar as they achieve global environmental benefits by protecting the global environment in the four focal areas.

GEF shall ensure the cost-effectiveness of its activities in addressing the targeted global environmental issues, shall fund programs and projects that are country-driven and based on national priorities designed to support sustainable development and shall maintain sufficient flexibility to respond to changing circumstances in order to achieve its purposes.

UNDP will play the primary role in ensuring the development and management of capacity building programs and technical assistance projects. Through its global network of field offices, UNDP will draw upon its experience in human resources development, institutional strengthening and non-governmental and community participation to assist countries in promoting, designing and implementing activities consistent with the purpose of GEF and national sustainable development strategies. Also drawing on its inter-country programming experience, UNDP will contribute to the development of regional and global projects within the GEF work programme in co-operation with the other implementing agencies.

**Note 2**  
**Summary of Significant Accounting Policies**

**(a) Reporting period**

The financial period of UNDP is biennial. The present biennium covers the period from 1 January 2008 to 31 December 2009. The GEF Trust Fund which is incorporated in UNDP's financial statements follows the regulations and rules of UNDP and the accounting and reporting procedures of UNDP. However, in accordance with Article VII of the agreement between UNDP and the World Bank Trustee of the GEF, UNDP is required to submit an annual report. Therefore, the financial period of the UNDP GEF annual report as presented here is on an annual basis for the financial period from 1 January 2009 to 31 December 2009.

The financial statements cover only regular resources and reflect the application of the following significant accounting policies:

**(b) Framework**

UNDP activities are accounted for in accordance with:

- (a) The Financial Regulations formulated by its Executive Board and the Rules established by the Administrator under the above regulations; and
- (b) The United Nations System Accounting Standards, as adopted by the Administrative Committee on Co-ordination, are based to a large extent on relevant International Accounting Standards issued by the International Accounting Standards Committee. Where differences from the International Accounting Standards exist, it is mainly because of the essentially non-commercial nature of the Organisation's activities. The standards are based on the following principles and assumptions:
  - (i) Going concern, consistency and accrual are fundamental accounting assumptions. Where fundamental accounting assumptions are followed in financial statements, disclosure of such assumptions is not required. If these fundamental accounting assumptions are not followed, that fact should be disclosed together with the reasons;
  - (ii) Prudence, substance over form and materiality should govern the selection and application of accounting policies;
  - (iii) Financial statements should include clear and concise disclosure of all significant accounting policies which have been used;
  - (iv) The disclosure of the significant accounting policies used is an integral part of the financial statements;
  - (v) Unusual items or prior period items should be disclosed if they have a material effect on the financial statements or schedules;
  - (vi) If there is a change in accounting policy that has a material effect in the current period, or may have a material effect in subsequent periods, the effect of such change should be disclosed and quantified, together with the reason for the change.

**(c) Income**

Interest income is accrued as income in the year to which it relates. All other income is accounted for on a cash basis, with the exception of income accrued on government letters of credit which are irrevocable.

**(d) Expenditure**

All expenditure of UNDP is accounted for on an accrual basis, except for staff entitlements (other than costs related to after-service health insurance) and programme expenditure implemented by Governments and non-government organizations (NGOs), which are accounted for on a cash basis. Where applicable to staff, staff entitlements relating to after-service health insurance are borne by UNDP and the relevant liabilities are reported and disclosed in the accounts for UNDP.

Where UNDP transfers cash to executing agencies, the transfer is recorded as an advance and the programme expenditure is recorded upon receipt of certified expenditure reports (PDRs and financial reports) prepared by the executing agencies.

The following criteria are generally used in applying the accrual basis:

---

<i>Experts and other project personnel</i>	Costs relating to the period of contractual service falling within the current biennium up to the amount provided for in the current budget.
<i>Travel on official business</i>	Costs of travel taking place in the current biennium and travel commencing before the end of the current biennium but extending into the next biennium.
<i>Subcontracts</i>	Payments falling due in the current biennium according to the terms of the contract or payment schedule.
<i>Fellowships</i>	Cost of the fellowship from the anticipated date of commencement of study or start of the current biennium to completion of study or end of the current biennium, whichever is earlier.
<i>Group training</i>	Full cost of any training activity held in the current biennium or beginning in the current and ending in the next biennium.
<i>Equipment</i>	Full cost of a contractual agreement or a firm order placed with the supplier prior to the end of the current biennium up to the amount provided in the current budget.
<i>Miscellaneous</i>	Cost of events occurred (for example, hospitality), goods or services delivered or firm orders placed for delivery in the current biennium.

---

Effective with the biennium 2004/2005, UNDP revised its accounting policy with respect to the recording of expenditure executed by UNDP and by governments and NGOs where UNDP provides support services to the executing agency. Previously this expenditure had been recorded on a cash basis. UNDP decided to change the policy to make it consistent with the policy for recording UN agency expenditure. The impact of this change is an increase in programme expenditure and a corresponding increase in accounts payable. There is no change in the accounting policy for recording national execution expenditure where UNDP does not provide support services. This remains on a cash basis because many of the national entities that execute UNDP projects account for this expenditure on a cash basis.

**(e) Currency exchange**

Contributions in currencies other than US dollars

Voluntary contributions received from Governments are translated into United States dollars using the United Nations operational rate of exchange in effect on the date of payment. All exchange differences against market rates are recorded as other income/expenditure.

Transactions in currencies other than US dollars

For the purposes of accounting for transactions, and the maintenance of other financial records, other currencies are translated into United States dollars at the United Nations operational rate of exchange in effect on the date of the transaction. Assets and liabilities in other currencies are translated into United States dollars at the United Nations operational rate of exchange in effect on the date of the report.

**(f) Investments**

*Carrying value of investments*

Investments are carried at cost.

*Marketable securities*

UNDP purchases marketable securities with the intent to hold them to maturity. However, management may sell marketable securities in cases where there is a liquidity need or unexpected credit risk, or where it is otherwise in the best interest of the organization's overall investment management.

*Credit risk*

The marketable securities that potentially subject the organization to concentrations of credit risk consist primarily of bonds and certificates of deposit. The organization's investments are placed in high credit quality financial instruments as determined through reputable third party rating agencies. The credit quality of issuers of these investments is reviewed on an ongoing basis.

*Liquidity risk*

In addition to only placing investments in high credit quality financial instruments as determined through reputable third party rating agencies, to manage liquidity risk UNDP also limits its maximum exposure to any one issue and to any one counter party.

**Note 3****Programme expenditure**

The amounts shown on statement I consist of the following (in thousands of United States dollars):

	2009	2008
Executing agents		
National execution	120 804	120 286
UN specialised Agencies	83 343	76 525
Non-Governmental Organizations	5 874	2 678
Direct execution	2 873	5 147
<b>Total</b>	<b>212 894</b>	<b>204 636</b>

Programme Expenditure for 2009 of \$212.9 million includes reversals of \$0.437 million relating to prior years. Should those adjustments have been reflected in prior years, 2009 programme expenditure would have been \$213.3 million.

**Note 4****Refunds to donors and transfers to/from other funds**

The amount shown on statement I is broken down as follows (in thousands of United States dollars):

	2009	2008
Transfer to/from other funds	-	363
Refund to donor	(4 578)	(12 639)
<b>Total</b>	<b>(4 578)</b>	<b>(12 276)</b>

**Note 5**  
**Investments**

The carrying value of investments is broken down as follows:

	2009	2008
Interest bearing current accounts	2	16
Time deposit	147 300	120 000
Certificates of Deposit/Commercial Paper/Bank	114 966	99 635
Bond/Note (callable)	20 272	-
Money Market	33 155	28 101
<b>Total</b>	<b>315 695</b>	<b>247 752</b>

**Note 6**  
**Unliquidated obligations (ULOs)**

The balance of unliquidated obligations shown in statement II consists of the following (in thousands of United States dollars):

In thousands of United States dollars	2009	2008
Executing entities	15 019	14 217
<b>Total</b>	<b>15 019</b>	<b>14 217</b>

**Note 7**  
**Unexpended Resources – Regular Resources**

The amount shown in statement II consists of the following (in thousands of United States dollars):

	2009	2008
Programme resources	146 399	122 891
<b>Total</b>	<b>146 399</b>	<b>122 891</b>

The programme expenditure resources figure of \$146.4 million above represents funds required for the delivery of agreed GEF activities. These funds are held by UNDP until such time that the commitments and liabilities are satisfied and the project activities are brought to an orderly conclusion.
