environmental improvements and promoting sound environmental policies and practices worldwide. The system should establish a framework of allocation to global environmental priorities and to countries based on performance. Such a system would provide for varied levels and types of support to countries based on transparent assessments of those elements of country capacity, policies and practices most applicable to successful implementation of GEF projects. This system should ensure that all member countries can be informed as to how allocation decisions are made.”

**AGENDA ITEM 10.**

**GEF BUSINESS PLAN FY04-06**

*(CEO chairs)*

21. The GEF Business Plan is a rolling three-year plan of operations based on the mandate of the GEF derived from: (i) the GEF Instrument; (ii) the various global environmental conventions; and (iii) decisions and policy directions of the GEF Council. The Business Plan is usually reviewed and approved by the Council during its second meeting of the year and sets the stage for review and approval of the annual GEF Corporate Budget presented to the Council at its first meeting the following year.

22. The Second Overall Performance Study (OPS2), and the Policy Recommendations of the Third Replenishment recommended that the GEF undertake strategic business planning to enhance impacts of GEF-supported activities. The last Business Plan, for the period FY03-05, was reviewed by the Council at the May 2002 meeting. Given that the framework for strategic planning was linked to several issues then under discussion at the Council and the replenishment process, the Council requested that a revised plan be submitted for review at the May 2003 meeting.
23. The Council has before it document GEF/C.21/9, *GEF Business Plan FY04-06*. This Business Plan focuses mainly on the newly proposed framework for strategic business planning in the GEF, while also briefly describing the status of other activities. After Council review and approval of this business plan, in particular the strategic planning framework, it is proposed that a Business Plan for FY05-07 be presented to the Council for review and approval at the November 2003 meeting. This will bring the Business Plan back to its previous place in the GEF planning cycle to precede the preparation of the Corporate Budget for May 2004.

24. *The Council is invited to review and approve the GEF Business Plan FY04-06.*

**AGENDA ITEM 11.**  
**REVIEW OF FEE-BASED SYSTEM**

26. At its meeting in October 2002, the Council reviewed an Interim Report on a Revision of the Fee Structure, and requested the Secretariat, in consultation with the Implementing and Executing Agencies, to prepare a proposal for a revised fee structure for Council review and approval.

27. *Document GEF/C.21/10, A Proposal for a Revised Fee Structure, is presented to the Council for its review and approval.*

AGENDA ITEM 13.  COFINANCING  
(CEO chairs)

29. In May 2001, Council requested that a note on cofinancing of GEF projects be prepared by the Secretariat. In the Policy Recommendations agreed as part of the Third Replenishment, it was also recommended that a cofinancing policy be prepared. An initial paper was reviewed by the Council at its meeting in October 2002. Council requested the Secretariat to revise the paper taking into account the comments made and to resubmit the revised paper. Document GEF/C.20/6/Rev.1 is presented to the Council for its review and approval.

AGENDA ITEM 14.  MONITORING AND EVALUATION  
(Elected Chairperson chairs)

30. At its meeting in October 2002, the Council reviewed terms of reference for an independent monitoring and evaluation unit, taking into account the recommendation emerging from the third replenishment of the GEF that a high priority be placed on strengthening the monitoring and evaluation of GEF projects. Participants recommended that the roles and responsibilities for monitoring and evaluation among the GEF Monitoring and Evaluation Unit, the Secretariat and the Implementing and Executing Agencies be reviewed by Council together with recommendations aimed at developing a partnership approach to monitoring and evaluation responsibilities in order to increase complementarity.

31. Document GEF/C.21/12, Terms of Reference for an Independent Monitoring and Evaluation Unit, has been prepared taking into account the comments made by the Council at its meeting in October 2002. The Council is invited to review and approve the terms of reference of an independent monitoring and evaluation unit.

32. Document GEF/C.21/13, Monitoring and Evaluation Work Plan for FY03-06, proposes activities to be undertaken by the unit consistent with the proposed terms of reference and the recommendations of the Second GEF Assembly, the second overall performance study of the GEF, and the third replenishment process. The Council is invited to review and
approve the FY03-06 work plan and the budget necessary to support the proposed activities.
