TO : Mr. Leonard Good

FROM : Raúl Estrada Oyuela

Dear Mr. Good,

We have been following the current session of the GEF Council concerning the situation created by the denial of visa to the Delegate of Cuba and the Caribbean constituency.

In this regard, be advised that, if the Council takes action on the possible change of venue for its next session, the Government of Argentina will consider hosting that meeting in the city of Buenos Aires. We would be grateful if you kindly circulate this note to the members of the Council during this agenda item.

Kind Regards

Raúl Estrada Oyuela
