## Status of Commitments and Pledges to the First Replenishment

The table on the following page provides a summary of the Instruments of Commitment received thus far from Contributing Participants as well as the remaining pledges outstanding. It shows that total commitments received thus far to the First Replenishment amount to SDR 1,304.30 million. This is an increase of SDR 17.85 million over the corresponding figure at the time of the last Council meeting in May 1995 and is attributable to the contributions from Austria and Greece. As a result, pledges outstanding have been reduced to SDR 111.50 million from the previous level of SDR 129.35 million.

Total pledges remain at SDR 1,422.28 million. The following table provides the details of those countries that have not yet formalized their pledges to GEF-1 through the deposit of an Instrument of Commitment.
