CO-FINANCING DATA FROM AGENCIES

INTRODUCTION

1. At the first GEF-5 replenishment meeting on March 17-18, 2009, Donors requested information on co-financing related to GEF projects. This report presents the data submitted by the Agencies.¹ The actual co-financing data in this report is presented on the aggregate level by country. This information is based on the latest available data that has been accumulated and maintained by each GEF Agency.
2. The data provided by individual GEF Agencies is presented in Tables 1–8.

¹ The Council has approved two Full-sized projects for AfDB and four for EBRD, none of which have been endorsed yet. Correspondingly, these two Agencies have no co-financing data on which to report.
