It is not a comprehensive report of all the detailed discussions that took place during the negotiating process. The detailed discussions are documented in the Co-Chairs’ summaries of the replenishment meetings.

**The Replenishment Process**

3. At the November 2012 meeting, the GEF Council requested the Trustee of the Global Environment Facility (“the GEF”), in cooperation with the Chief Executive Officer and Chairperson of the Facility, to initiate discussions on the sixth replenishment of resources of the GEF Trust Fund (“GEF-6”).

4. Accordingly, the Trustee and the GEF Secretariat initiated the process by circulating a discussion note to prospective Participants regarding participation, proposed timetable and core GEF-6 replenishment topics.

5. Participants agreed on the preliminary schedule of subsequent replenishment meetings. In addition, agreement was reached on the overall work plan for such discussions as well as the arrangements for participation in the replenishment discussions. Participants decided that the meetings would benefit from the participation of non-donor recipient country representatives, one seat for each of the four regional groupings (Africa, Asia, Eastern Europe, Latin America and Caribbean). Participants also agreed that two NGO representatives would participate in an observer capacity.

6. It was agreed that the GEF-6 replenishment discussions should include the following subjects: (i) the Fifth Overall Performance Study of the GEF (“OPS5”); (ii) strategic positioning for the GEF-6; (iii) programming of resources for the GEF-6; (iv) policy recommendations for the GEF-6; and (v) financial arrangements for the GEF-6.

Programming of Resources under the GEF-6

8. Participants considered a proposal for the programming of resources in the sixth replenishment period to cover four years (FY15 – FY18) of GEF operations and activities in its [six] focal areas. [The GEF-6 Programming Document is attached as Annex A to this Summary.]

9. In reviewing the programming of resources for the GEF-6, Participants agreed [to the indicative distribution of resources among the GEF focal areas, corporate programs, and other activities set forth as Table X in the programming document attached as Annex A to this summary.]

10. In discussions on programming areas, Participants reiterated support for a robust GEF replenishment.

Policy Recommendations for the GEF-6

11. [Participants agreed on a set of Policy Recommendations for the Sixth Replenishment of the GEF Trust Fund, attached as Annex B to this Summary.]

GEF-6 Financing Framework and Final Pledging

12. The basic financing framework for the GEF-6 was agreed over the course of the replenishment meetings, resulting in a replenishment level for programming in the amount of SDR [xxx] million (USDeq. [xxx] billion).

13. Participants agreed on the six-month averaging period for setting reference exchange rates (April 1, 2013 to September 30, 2013) for use in the GEF-6. These exchange rates are used to translate GEF-6 donor contributions between SDR values and national currency values.

14. Donors supported a strong and effective GEF-6 replenishment. While many Contributing Participants faced challenging national circumstances, significant efforts were made to achieve the highest possible GEF-6 replenishment level.

15. Pledged contributions to the GEF-6 are reflected in Attachment 1 in Annex C: Draft World Bank Resolution No. [____], Global Environment Facility Trust Fund: Sixth Replenishment of Resources. These pledged contributions amount to SDR [xxx] billion (USDeq. [xxx] billion) and also reflect credits for accelerated cash payments and note encashments in the amount of SDR [xx] million (USDeq. [xx] million). Additional resources that may become available for programming during the GEF-6 replenishment period include projected investment income to be earned during the GEF-6 replenishment period (FY2015 – FY2018) in the amount of SDR [xx] million (USD [xx] million) and carryover of previous GEF replenishment resources in the amount of SDR [xx] million (USDeq. [xx] million).
16. Participants also confirmed that new or additional pledges to the GEF-6 not reflected in Attachment 1 in Annex C, Draft World Bank Resolution No. [____], Global Environment Facility Trust Fund: Sixth Replenishment of Resources, would also be welcomed.

**Replenishment Resolution**

17. Participants approved the Draft World Bank Resolution No. [____], Global Environment Facility Trust Fund: Sixth Replenishment of Resources, which is in the form of a World Bank resolution and attached as Annex C to this Summary of Negotiations, to be considered by the GEF Council and submitted to the World Bank, as Trustee of the GEF Trust Fund, for adoption by the World Bank Executive Directors.

**Financial Issues for GEF-6**

18. [Participants noted that all Contributing Participants to the GEF-6 should make their best efforts to deposit their Instruments of Commitment or Qualified Instruments of Commitment by October 31, 2014. The Trustee will periodically inform the Council of the status of Instruments of Commitment and Qualified Instruments of Commitment deposited with the Trustee.]

19. [Participants agreed that contributions made without qualification shall be paid in four equal installments by November 30 of each replenishment year as set out in the replenishment resolution or as agreed with the Trustee, provided that the GEF-6 becomes effective by October 31, 2014. Participants further agreed that Contributing Participants depositing Qualified Instruments of Commitment shall use their best efforts to unqualify sufficient amounts of their contributions to pay their installment amounts by November 30 of each replenishment year.]

20. [Participants agreed that payment may be made in cash upfront or by the deposit of non-negotiable, non-interest bearing demand notes or similar obligations with the Trustee. Unless otherwise agreed with the Trustee, such notes, or similar obligations, will be encashed on an approximately pro rata basis among Contributing Participants. Encashments will be made in accordance with the indicative encashment schedule as set out in the replenishment document or as agreed with the Trustee.]

21. [The Advance Contribution Scheme for the GEF-6 will become effective on the date when the Trustee has received Instruments of Commitment or Qualified Instruments of Commitment from Contributing Participants whose contributions aggregate not less than SDR xx million. The GEF-6 will become effective on the date when the Trustee has received Instruments of Commitment of Qualified Instruments of Commitment from Contributing Participants whose contributions aggregate not less than SDR [xx] billion.]

22. Participants discussed a proposal to adjust the minimum amount to participate in subsequent replenishment negotiations. Recognizing the importance of all GEF contributions, Participants agreed that the minimum would remain unchanged for GEF-6, but an adjustment should be made beginning with GEF-7, reflecting inflation observed since GEF-6.
Availability of Resources

23. During the replenishment process, some Participants expressed concern about the status of arrears by some Contributing Participants at the close of the GEF-5 commitment period.

24. Participants confirmed the importance of clearing arrears and agreed that the pro-rata provision did not serve well as an instrument for timely payment. In the absence of a more effective instrument, Participants agreed to maintain the pro-rata provision, as set out in Paragraph 8(c) of the GEF-6 Replenishment Resolution.

25. In addition, consistent with the practice in the previous replenishments, the following means of deterring arrears should apply under the GEF-6:

   (a) Continuation of the requirement, first introduced in the GEF-3 Replenishment Resolution, and set out in Paragraph 4(a) of the GEF-5 Replenishment Resolution, that if a Contributing Participant does not make a scheduled payment to the GEF-5 or a Contributing Participant that has deposited a Qualified Instrument of Commitment is unable to unqualify a scheduled contribution to the GEF-5, then such Contributing Participant shall provide the Council with a written explanation from its Minister stating the reason for the arrears or delay and the steps being taken to resolve it;

   (b) Confirmation of the provision in the Instrument that voting rights accrue only for the actual contributions paid to the GEF, which confirmation is set out in Paragraph 4(b) of the GEF-5 Replenishment Resolution.

26. Noting that funding decisions made by the Council or the GEF CEO are based on available resources in the GEF Trust Fund at the time of the decision, Participants requested the Secretariat to use the full replenishment amount, including arrears, as the target programming level at the outset of the GEF-6 replenishment period, consistent with current practice.

Steps towards Concluding the Process of the Sixth GEF Replenishment

27. [Participants requested the CEO/Chairperson of the GEF to forward this Summary, including the attached Annexes, to the GEF Council for consideration at its meeting in XXX in XXX. The GEF Council is invited to take note of the Summary and to endorse the Replenishment Document and its Annexes.]

28. [Participants also invited the GEF Council to request the CEO/Chairperson of the GEF to transmit this Summary to the World Bank, with a request that the World Bank Executive Directors be invited to adopt Annex C to this Summary, Draft World Bank Resolution No. [______], Global Environment Facility Trust Fund: Sixth Replenishment of Resources, thereby authorizing the World Bank, as Trustee of the GEF Trust Fund, to manage the resources made available under the GEF-6.]
