- (b) For FSPs up to USD 3 million, the limit is up to \$100,000;
- (c) For FSPs up to USD 6 million, the limit is up to USD 150,000;
- (d) For FSPs up to USD 10 million, the limit is up to USD 200,000; and
- (e) For FSPs above USD 10 million, the limit is up to USD 300,000.

Please provide justification

The PPG request is 194000 which is less than the 200,000 endorsed by the OFP. This is due to the balance of the STAR allocation for Angola. Based on the balance for the country, the PPG request needed to be \$6413 less than the endorsed amount. This is line with GEF policy as the PPG request does not exceed the amount endorsed by the OFP.
