

GEF-8 Replenishment

GEF-8 Policy Directions and Recommendations

February 2-4, 2022

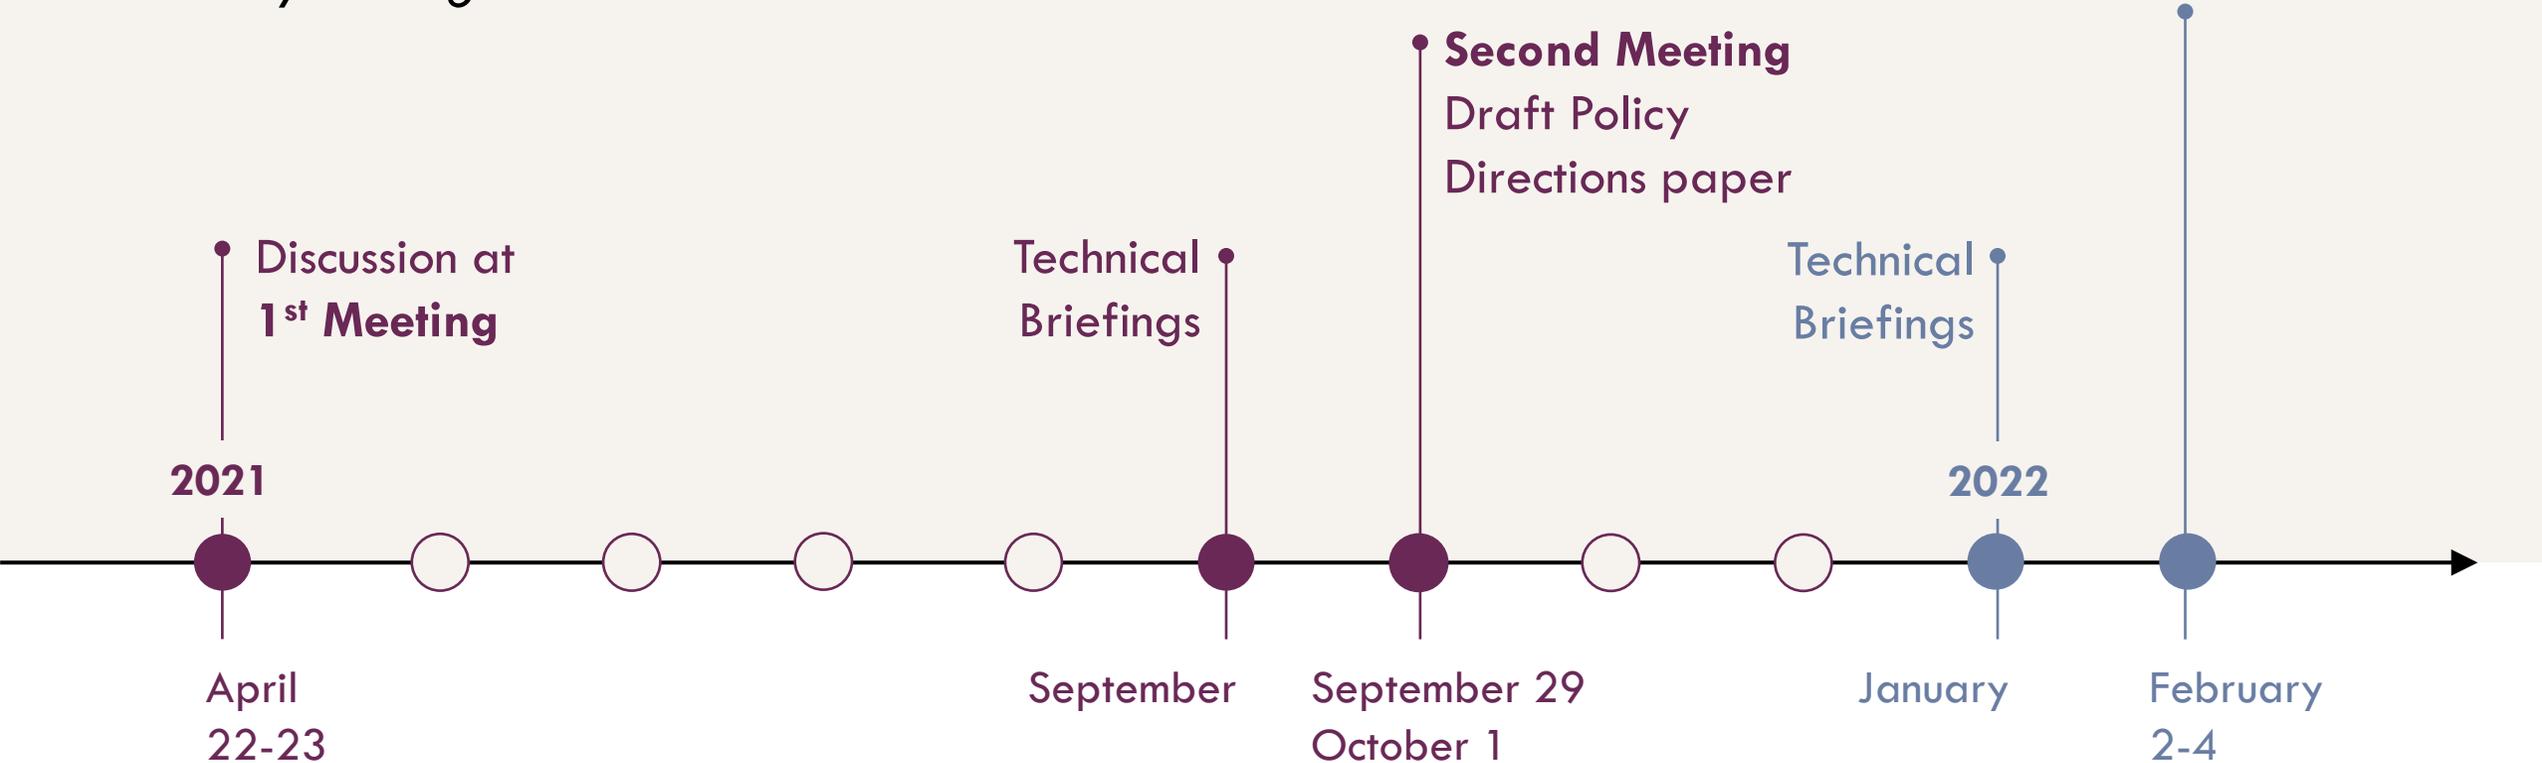

The road to GEF-8 Policy Recommendations

Consultation and Feedback:

- 1st Meeting feedback
- Written comments
- Consultation with GEF Partners and Constituencies
- Early findings from OPS7

Policy Recommendations
For decision, based on final
Policy Directions paper

TODAY

The Component Pieces

I

Building on GEF-7 Policy Accomplishments

II

Refining GEF's Results Framework

III

Extending GEF's Inclusion Agenda

IV

Addressing Issues of Concentration

V

Improving Sustainability Considerations

VI

Recalibrating STAR

**GEF-8 Policy
Recommendations**

Building on GEF-7 Operational & Policy Accomplishments

Gender
Equality

Transparency

Safeguards

Focus on Implementation, Streamlining, Efficiency

Global Environmental Benefits

The GEF-8 Results Measurement Framework strengthens the focus on delivering results

TIER 1 | Project and Program Results

TIER 2 | Operational Performance

-  Better links project operational progress to actual results
-  Organizes metrics by results areas and drivers of performance
-  Reports cumulatively on actual results across the GEF-8 cycle
-  Enhances key environmental results areas with new metrics
-  Focuses on adaptive management and timely completion

Extending GEF's Inclusion Agenda building on GEF-7 Policy Accomplishments

GEF-7

*Policy and
Guidelines on
Gender Equality*

*Policy and Guidelines on
Stakeholder Engagement*

*Policy and Guidelines on
Environmental and Social
Safeguards*

**GEF-8
priorities**

*Strengthen
Implementation*

*Incorporate findings of the
GEF IEO OPS-7 Evaluation*

- *Gap analysis*
- *Streamline guidance*
- *Knowledge sharing
and learning*

Addressing Issues of Concentration: Proposed adjustments in GEF-8

- ✓ Incentives through streamlined procedures
- ✓ Support to OFPs and pipeline development
- ✓ Continued monitoring & reporting
(geographic coverage, thematic coverage, effectiveness, efficiency, and engagement)
- ✓ Open GEF SGP to other GEF Agencies
- New** Explore opportunities to add new Agencies

V

Improving Sustainability Considerations

ANALYTICS and ACTIONS on SUSTAINABILITY

- IEO Studies and Reports
- GEF SEC Studies and Dialogues with Agencies and Countries
- STAP Study

Project Design

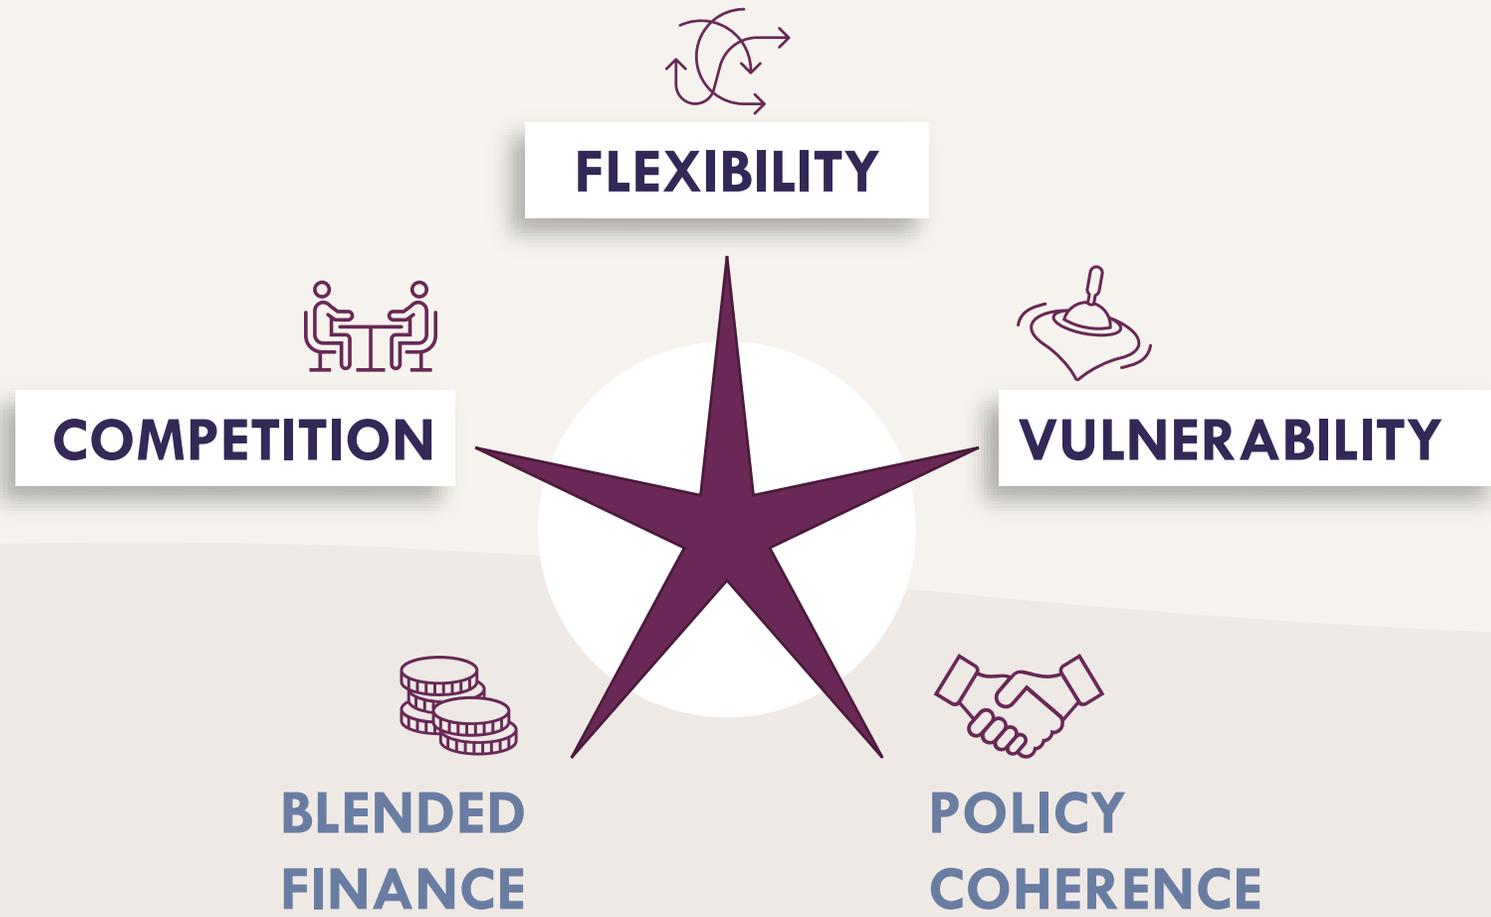

Project Implementation

Knowledge and Learning

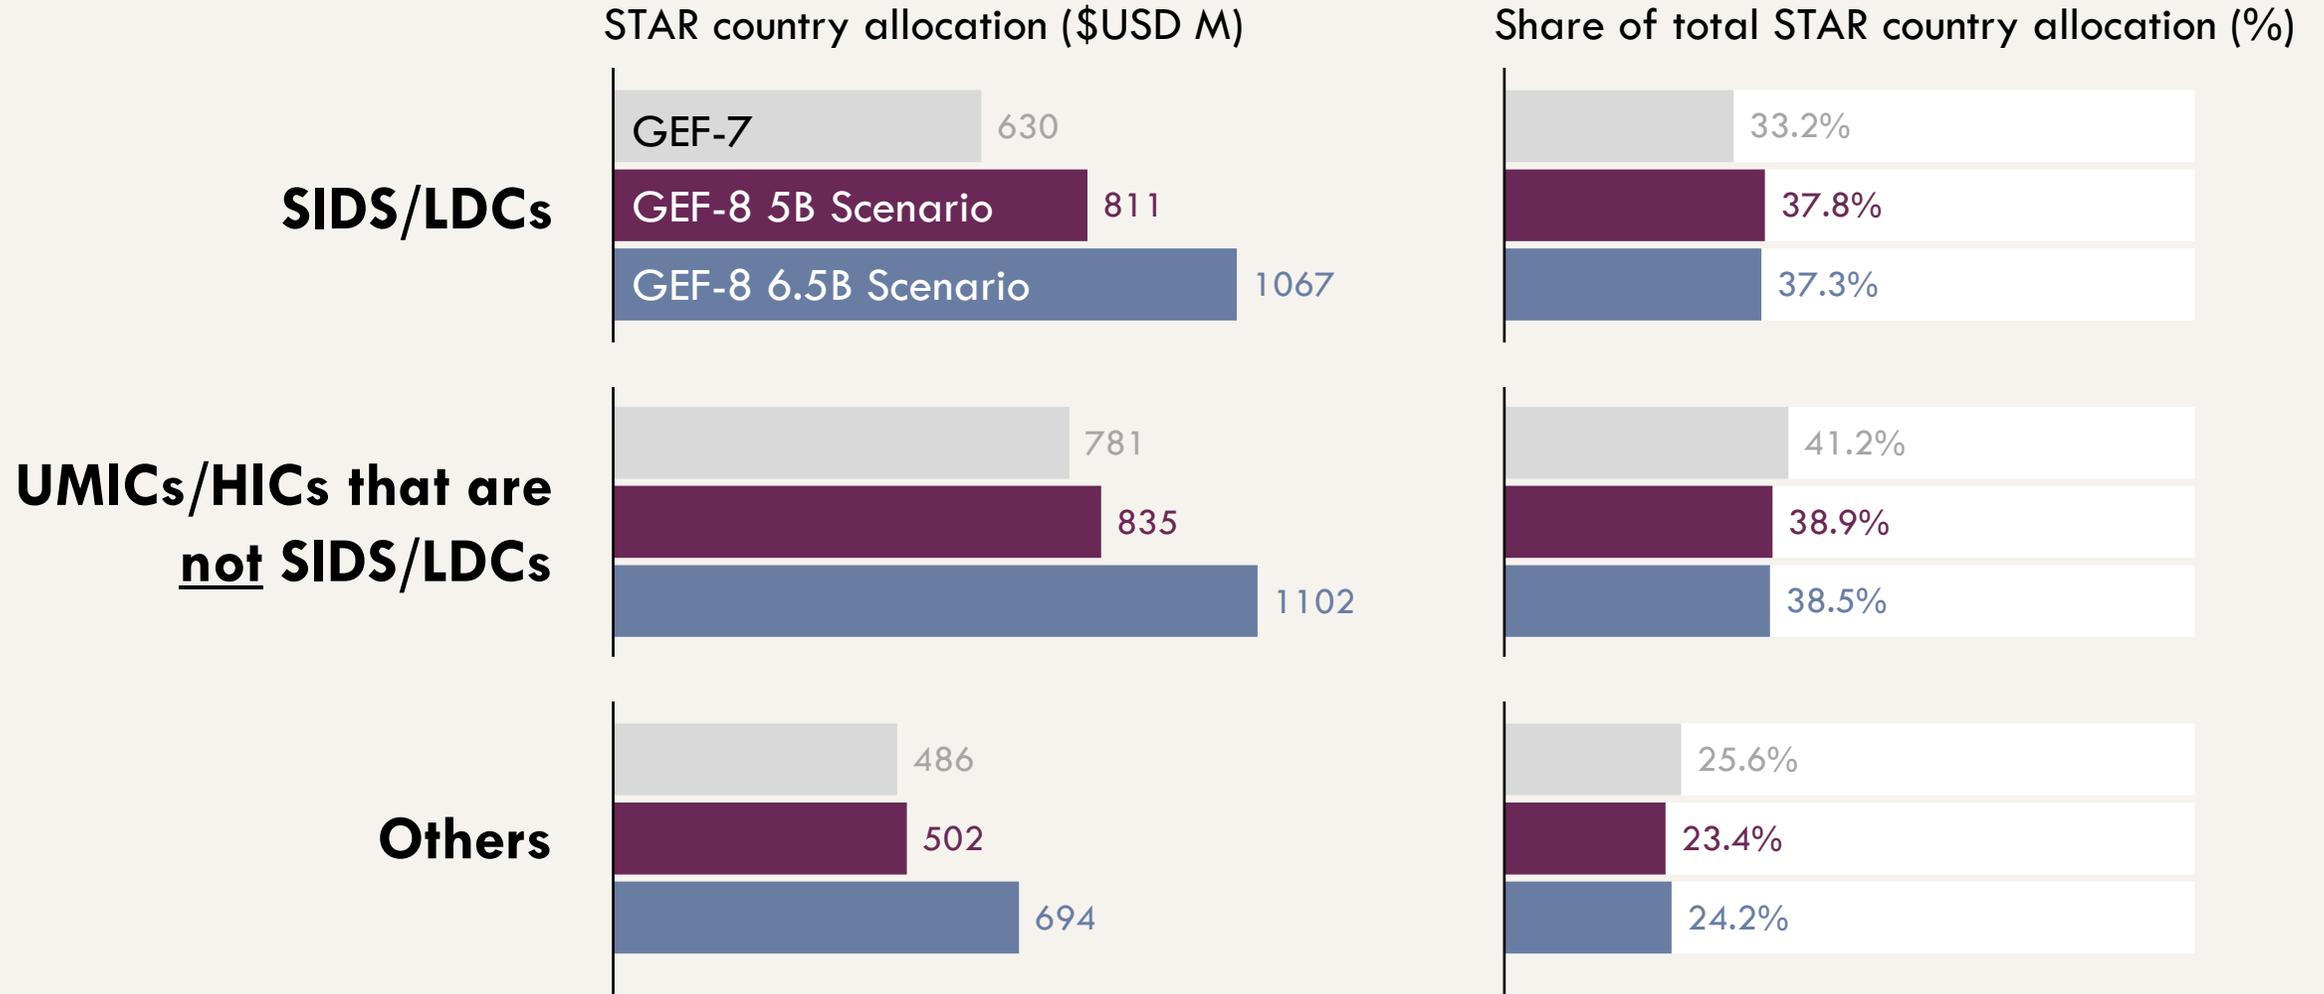

Country Engagement

Policy Coherence

VI *Recalibrating STAR*
