

GEF Knowledge Days & Fairs

- ▶ Sharing Lessons and Expertise in the field and from the field

Peer-to peer Learning From 2017 to 2020

- ▶ Full-day regional knowledge and learning event, targeting country counterparts
- ▶ Complements the ECWs where participants receive training on GEF policies and processes as well as key principles for effective design and implementation of GEF projects and programs.
- ▶ Hands-on exposure to GEF financed projects
- ▶ Field visits to GEF projects to meet project managers and beneficiaries, and to observe key project lessons learned on-site.
- ▶ Where a field visit is not possible, the GEF Knowledge Day “brings the project to the participants”
- ▶ Use Learning Stations where implementing agency staff and beneficiaries play an active role.
- ▶ Replicated in 13 regions, reaching more than 140 countries with more than 3600 participants.
