**Agency Profile** displays essential information about the agency, including the year of accreditation and its geographic scope, indicating whether the agency operates at a regional or global level.

**Portfolio Across GEF-Managed Trust Funds** illustrates the total financing amount (\$million) and the number of approved or under review and approved projects across different GEF-managed trust funds by GEF phases.

**Co-Financing Amount and Ratio by Focal Areas** highlights the overall co-financing amount (\$billion) and the co-financing ratio (X:1) across six focal areas: biodiversity, climate change, land degradation, international waters, chemicals and waste, as well as multiple focal area.

**Financing by Focal Area** illustrates the breakdown of total financing from GEF-managed trust funds across six focal areas: biodiversity, climate change, land degradation, international waters, chemicals and waste, and multiple focal area.

**Financing by Region** portrays the allocation of total financing from GEF-managed trust funds across GEF regions: Africa, Asia, Latin America and Caribbean, Europe and Central Asia, as well as Global and Regional categories.

**Share of Financing by Country Group** presents the proportion of financing from GEF-managed trust funds designated for least developed countries (LDC) and small island developing states (SIDs) across GEF phases.

**Financing by Type of Executing Agency** displays the distribution of financing based on different types of executing agencies.

**Distribution of GEF-7 Project by Status** demonstrates the distribution of GEF-managed resources under GEF-7 according to project statuses.

**Agency Effectiveness and Efficiency** demonstrates the portfolio scorecard for fiscal year 2022. The indicators encompass three key areas: 1. enhance the speed of operations, 2. ensure strong portfolio management, and 3. increase co-financing across the portfolio. The reporting is harmonized with the GEF Annual Monitoring Report for fiscal year 2022. Additionally, the average score for all agencies during GEF fiscal year 2022, along with agency-specific scores from previous three consecutive fiscal years, is furnished for reference.
