

Roles and Responsibilities of Council Members and Focal Points

GEF Expanded Constituency Workshop
11th to 13th December 2012
Antalya, Turkey

Stakeholder Roles

- Discuss the role of each stakeholder at your table with respect to the GEF
 - What is the responsibility of the Council Member to their constituency?
 - How is the political focal point involved in GEF activities?
 - What should convention focal points do in preparation for COP negotiations concerning the GEF?
 - What are some specific ways for CSOs to become more involved in GEF activities?
 - What are the activities that an OFP could do with their \$9,000 direct support/annual work plan budget?
 - What challenges are faced when implementing the Annual Work Plan?
 - How could each stakeholder assist with the visibility of the GEF?
 - How could each stakeholder better understand the work of the GEF in their country?
 - What is done to promote coordination within your country? Is a GEF steering committee a useful tool?

What is the responsibility of the Council Member to their constituency?
