From *Programming Directions*

Proposals will be prioritized based on demonstrated responsiveness to Paris Agreement transparency requirements under Article 13.

Proposals will also be prioritized for those countries that are in most need of capacity-building assistance for transparency-related activities, in particular small island developing States (SIDs) and least developed countries (LDCs).*

**Pursuant to paragraph 90 of the COP decision adopting the Paris Agreement, LDC Parties and SIDS may submit information under the enhanced transparency framework at their discretion.*
