Global Environment Facility
Knowledge Management (KM) Advisory Group Meeting

Venue: Room L-101, IFC Building, at 2121 Pennsylvania Avenue, NW, Washington DC (on Pennsylvania Avenue, between 21st Street and 22nd Street)

Dates: Friday, June 10, 2016 (Morning)

Duration: The meeting begins 9:00 am with breakfast and adjourns at 01:30 pm after lunch.

Participants: (in person and via WEBEX)

- GEF Partner Agencies (Executive Coordinators and KM specialists in some cases)
- GEF Secretariat (interested members of senior management and staff)
- Convention and CSO representatives
- Council members
- GEF IEO and STAP

Activities: Presentations, Short Videos and Group Discussion

Purpose and description: The purpose of this meeting is to bring together the members of the GEF KM Advisory Group to go over progress made to date in the implementation of the GEF’s KM vision and approach and to discuss key issues, challenges as well as opportunities for collaboration and learning across the GEF Partnership in delivering the KM Approach. The meeting will include a report on the findings of the KM Audit and knowledge asset assessment that have been conducted and the results of the pilot activities that have been implemented since the last Council meeting, and it will aim to cultivate creative ideas for the way forward by taking advantage of the diverse KM assets, systems and resources in the GEF Partnership. In essence, we will look to discuss ways in which the Group can best work together and serve as an informal sounding board for GEF KM initiatives going forward, including a KM roadmap for the GEF.
