BONN 2017

EVENTS DETAILS

Thursday, November 9, 2017

16:30-18:00

Youth and Women Investing in Land and Value Addition on Natural Resources to Mitigate Climate Change.

UNDP Pavilion, Bonn Zone

This event focus on investment in land as an effective way to implement and upscale sustainable food security, improve natural resources products and nutrition with a focus on communities and natural resource management projects that benefit vulnerable youth and women. In partnership with SOS SAHEL.

Friday, November 10, 2017

14:30-16:00

Low Carbon Energy Access and Transformation at Local Level: Delivering Sustainable Results and Measuring Impacts

UNDP Pavilion, Bonn Zone

The event will showcase effective approaches to providing low-carbon energy access and transforming energy systems at community level. Panelists will present lessons learned from GEF Small Grants Program implemented by UNDP (SGP) and other energy investments.

Tuesday, - November 14, 2017

16:30-18:00

Building Island and Community Resilience

UNDP Pavilion, Bonn Zone

This event will focus on the Island Resilience Initiative (IRI), a framework to set locally appropriate goals that align with international agreements such as, the Paris Agreement, the SDG's and the SAMOA Pathway. This initiative is supported by Fiji, Palau and the Republic of Marshall Islands and builds on the strong partnership between GLISPA and SGP.

Wednesday, November 15, 2017

13:00-14:30

Climate action in Africa: Engagement of Civil Society

Pavilion of International Organization of Francophonie, Bonn Zone

This event will feature presentations from civil society organizations from Algeria, Morocco, Chad, Togo, Burkina Faso, and Côte d'Ivoire. SGP will highlight the support provided to civil society organizations in the region working to address climate change in partnership with the "Initiatives Climat" partnership.

Thursday, November 16, 2017

11:00-12:30

South-South Cooperation in Francophone Africa: Collaborative Capacity Building and Experience Exchange

UNDP Pavilion, Bonn Zone

In partnership with the "Initiatives Climat" partnership, the event will feature videos and reports of capacity building and exchange events organized by the initiative in Senegal, presentation of collaboration between Burkina Faso and Cameroon focusing on green charcoal production and experiences from Togo and Tunisia.

Thursday, November 16, 2017

18:00-19:30

Award Ceremony of the Global Youth Video Competition on Climate Change 2017

Media Event Room, Bonn Zone

The ceremony will feature winning videos and deliver awards of the Video Competition organized by UNDP GEF Small Grants Program implemented by UNDP (SGP), UNFCCC and other partners, showcasing the power of young people as key players in reaching innovative and ambitious solutions to combat climate change.
