

Investing In Community

An Event Organized by Responding to Climate Change (RTCC)

December 6, 2019
10:00 – 11:00
Hall 8
GCF + GEF Pavilion
UNFCCC COP25

This conference will bring together top impact investing and community finance experts with a broad range of experience from international projects and programs.

Investment has a positive impact on local communities, contributing to their well-being and encouraging sustainable development that goes beyond the social and economic value

Development of effective solutions to address social concerns and generate a meaningful, positive impact in the communities of which we are an integral part.
