

# Enhancing media coverage of adaptation projects – the view from editors

December 13, 2019

11:00 – 12:30

Hall 8

GCF + GEF Pavilion

UNFCCC COP25

All climate financing organizations now have the mandate to dedicate at least half their funding to adaptation. But media coverage of adaptation is nowhere near as extensive as of mitigation. Why? What can be done to improve the situation? Join journalists covering climate change for years around the world to discuss the issue and possible solutions
