Subject: GEF OFP endorsement letter for the project “Reducing barriers to promote e-mobility in Belarus through introduction of ultra-fast charging complex for electric vehicles”

Dear Mr. Kurukulasuriya,

In my capacity as GEF Operational Focal Point for Belarus, I confirm that the above project proposal: (a) is in accordance with my Government’s national priorities and our commitments to the relevant global environmental conventions; and (b) was discussed with relevant stakeholders, including the global environmental convention focal points. Furthermore, in line with GEF-7 programming guidance, the proposed project is the result of a thorough participatory GEF-7 discussions and prioritization. Specifically, Belarus undertook a series of consultations involving relevant ministries, NGOs, scientists and GEF Agencies. As a result, this project has been identified and endorsed by key stakeholders and the national convention focal points. Further details on the country-drivenness and relevance of the project to national priorities are stated in the PIF.

I am pleased to endorse the preparation of the above project proposal, with the support of the GEF Agency listed below. If approved, the proposal will be prepared and implemented by the Ministry of Environment and Natural Resources. Further, I request
the GEF Agency to provide a copy of the project document before it is submitted to the GEF Secretariat for CEO endorsement.

The total financing from GEFTF being requested for this project is US$ 1,476,000 inclusive of project preparation grant (PPG), and Agency fees for project cycle management services associated with the total GEF grant. The financing requested for Belarus is detailed in the table below:

I consent the utilization of Belarus' allocations in GEF-7 as defined in the system for Transparent Allocation of Resources (STAR).

The Government of Belarus looks forward to the approval of this project and further cooperation with GEF.

Sincerely yours,

Ms. Iya Malkina,
First Deputy Minister
Ministry of Natural Resources and Environmental Protection of the Republic of Belarus,
GEF Operational Focal Point in Belarus
