How to Register for a GEF PMIS Account

The GEF Web application PMIS (Project Management Information System) can only be accessed through a personalized account, which needs to be obtained in a similar fashion similar to other Web applications, e.g. Facebook, Skype or Web Email systems (Yahoo, Gmail etc.)

Sequence of steps to be followed for successful registration

1. Enter www.gefpmis.org on the address bar of your internet browser. This leads you to the following PMIS start screen:

The screenshot shows a web browser window with the title bar containing several tabs: "Uruguay - Wikipedia, the f...", "PMIS - GEF Manage Users", "Gmail: Email from Google", and "PMIS - GEF". The main content area of the browser displays the "Project Management Information System" login page. At the top left is the GEF logo. The page title is "Project Management Information System". Below this is a welcome message: "Welcome to the GEF's Project Management Information System. This system will help you do the following:". This is followed by a bulleted list of system functions: "• Prepare and submit documentation for proposals requesting GEF Funding", "• Track the status of proposals submitted for review to the GEF Secretariat", "• Help Secretariat staff prepare documentation for internal review at the Secretariat", "• Track the status of approved proposals that are under preparation by the GEF Agencies and countries", "• Monitor implementation performance of approved projects", and "• Monitor the level of resources approved in each country". Below the list is a "Login" section. It includes a "Login Details" header, an "Email:" label with a text input field, a "Password:" label with a text input field, and a "Forgot your password?" link. A "Log In" button is positioned below the password field. At the bottom of the login section is a "New user registration" link. The footer of the page states "A product of the Global Environment Facility".

2. Click on “New user registration” at the bottom of the PMIS start screen, which leads you to the PMIS user registration screen:

New User Registration

Registration procedure : Please provide the following details to register and obtain access to PMIS. All fields need to be filled in.

User Details

Affiliation *	(Select your Affiliation) ▼
First Name *	<input type="text"/>
Last Name *	<input type="text"/>
Phone *	<input type="text"/>
Email *	<input type="text"/>
Password *	<input type="password"/>
Confirm Password *	<input type="password"/>
Security Question *	<input type="text"/>
Security Answer *	<input type="text"/>

3. First select your affiliation. As Operational Focal Point, please select the corresponding drop down list item linked to the attribute “Affiliation”. This will slightly change the PMIS user registration screen by inserting the attribute “Country” (and dropping the “Authorization Details” part at the bottom):

* Compulsory fields

4. Fill out all compulsory fields including your chosen Password and Security Question/ Answer.

As Password you need to provide at least 7 characters. As Answer to the Security Question please use alphanumerical characters. You can include a space/ blank character but *do not use* any special characters like: , & \ etc.

5. Click on “Send Registration”. You will receive an Email from gefpmis@thegef.org in your email account, which you provided on the PMIS user registration screen (see step 4). You may receive the email immediately after clicking on “Send Registration”. However, depending on the Email Servers/ Internet Connection it may also take up to 10 minutes. This email contains a link, which starts with http://gefpmis.org/registrationoptin.aspx?_ Click on that link to confirm your email address.

6. The PMIS team will approve your PMIS account as soon as possible, normally within 1 hour during GEFSEC business hours (9am to 6pm Washington DC time). You will receive another approval email from gefpmis@thegef.org to inform you that your PMIS account has been approved. Again, you need to wait for the receipt of that approval email in your email account before you can log in to PMIS with your Email and Password provided in step 4.

After 20-30 minutes of inactivity you will be logged out from PMIS. In case you forgot your password, you can click on “Forgot your password” on the PMIS start screen (see step 1). You will then need to answer your Security Question in order to receive an email with your new password. After you log in to PMIS again with this new, cryptic password you can change it back to a password of your choice on the PMIS Administration screen, function “Password”.

Below you see all possible affiliations which can be associated with a PMIS user account. You may also want to register for a PMIS account as Council Member, Alternate Manager or Political Focal Point. The PMIS read/ view access you will be given with those 3 affiliations is identical to the affiliation Operational Focal Point.

Using PMIS

The PMIS is the Project Management Information System which provides web-based access to the GEF project database. Access to PMIS is provided through a secure portal and requires registration. Access to different sections of the database is dependent on the type of user (GEFSEC staff, Council Member, Agency, Operational Focal Point etc .)

The PMIS allows registered users to:

- Enable Agency to prepare and submit documentation for proposals requesting GEF funding*
 - Help Secretariat staff prepare documentation for internal review at the Secretariat*
 - Track the status of approved proposals that are under preparation by the GEF Agencies and countries*
 - Monitor implementation performance of approved projects*
 - Monitor the level of resources approved in each country*
